DID SHE SAY... BIG SIS?

LALA... ARE THESE GIRLS ...?

TROUBLE 98: LALA'S LITTLE SISTERS

T...

TWINS ?!

THEY'RE MY TWIN BABY SISTERS!

RIGHT ON THE MONEY!

I'M THE SECOND PRINCESS OF DEVILUKE, NANA ASTA DEVILUKE.

AND I'M THE THIRD PRINCESS, MOMO BELIA DEVILUKE.

IT'S SO NICE TO MEET YOU!

I COULD'VE SWORN I DID.

DIDN'T I?

YOU, UH, MAYBE FORGET TO EVER MENTION THEM, LALA?

NANA! MOMO!

MORE IMPORTANTLY, WHY DID YOU *DO* ALL OF THIS?

HEE HEE!

SOUNDS LIKE YOU'RE STILL VERY MUCH DOING THINGS AT YOUR SPEED.

WE REALLY WANTED TO KNOW MORE ABOUT THE EARTHLING THAT'S SO CLOSE TO OUR BIG SISTER!

AND NOW WE KNOW WHAT HE'S LIKE, EVEN IN A VERY *SPECIAL* SITUATION LIKE THIS!

UH, 'KAY...

AND THANKS TO THAT, WE KNOW ABOUT ALL THE WONDERFUL FRIENDS YOU'VE MADE, TOO!

THANKS FOR TAKING SUCH GOOD CARE OF OUR SISTER, EVERYONE! KEEP UP THE GOOD WORK! ♡

I MEAN, IT'S NOT LIKE WE MADE THE WHOLE THING FROM SCRATCH.

WAIT, SO YOU MADE THIS ENTIRE WORLD FOR *THAT?*

HUH? DID I MAKE SOMETHING LIKE THIS?

YOU GOT QUITE OBSESSED WITH EARTH GAMES RIGHT AFTER WE GOT HERE AND MADE IT, YES.

WE JUST MADE SOME MODIFICATIONS TO THE GAME BIG SIS MADE THAT WE FOUND IN HER LAB!

YOU TELL 'EM! IT WAS A LOT OF WORK, FINISHING IT UP!

SURE, BUT I'M THE ONE WHO BASICALLY DID ALL THE PROGRAM-MING...

OOOH! I REMEMBER NOW! IT GOT TO BE KIND OF A PAIN, SO I STOPPED WORKING ON IT!

ARE YOU KIDDING ME...?

SURE, BUT YOU BASICALLY JUST WENT SIGHTSEEING ON EARTH THE WHOLE TIME.

IT TOOK LIKE A WHOLE WEEK, I THINK.

I REALLY AM INCREDIBLE, AREN'T I?!

BUT MY PLAN TO HAVE BIG SIS CAPTURED BY MAGICAL KYOUKO IN THE GAME WAS *ALSO* A MASSIVE SUCCESS, WASN'T IT?!

MY IDEA, TOO.

BYOOM

URRRK! I'M DYING! DYING...!

ALL YOU DID WAS GIVE THE INVITATION LETTERS TO ONEESAMA'S FRIENDS... RIGHT?

YEAH, IT'S NOT LIKE OUR LIVES WERE IN REAL DANGER OR ANY-THING...

YOU DON'T HAVE TO APOLOGIZE, LALA-SAN!

DID YOU TAKE CARE OF THE BUG?

YEP, SQUASHED IT! AFTER THIRTY SECONDS, WE SHOULD ALL BE TRANSPORTED BACK TO THE REAL WORLD.

THIS ALL HAPPENED BECAUSE WE WENT MESSING WITH YOUR THINGS WITHOUT ASKING...

WE'RE SORRY, ONEE-SAMA...

YOU... YOU DID THAT FOR ME?

WE HAD TO MAKE SURE HE COULD REALLY MAKE YOU HAPPY.

BUT WE WANTED TO KNOW MORE ABOUT THIS YUUKI RITO...

SO, FOR NOW...

I'M NOT PLANNING ON REGRETTING FALLING IN LOVE WITH RITO, NOT EVER.

YOU TWO JUST WATCH OVER THINGS, AND DON'T WORRY!

I'm Magical Kyouko!

We'll solve today's problems with fire, too! ♡

LALA-SAN'S LITTLE SISTERS WENT BACK TO DEVILLIKE.

I WOULD'VE LIKED TO HAVE SPENT SOME TIME WITH THEM, THOUGH.

YOU SAID IT...

I HAVE REALLY COMPLICATED FEELINGS ABOUT THIS.

GO GET 'EM, KYOUKO-CHAN!

WHAT'S WRONG, RITO?

OH, NOTH-ING...

WAS IT REALLY A GOOD IDEA FOR ME TO SAY THAT...?

To Love Ru Quest: ~The Legends of the Queen~

This story is the tale of one woman—a queen of innumerable legends—
and the love and bravery and emotions of her friends. At least, we think so.

Saki: Another love letter...

There were three suspicious letters in the shoe cubicle. Normally, Saki would just
give them a hard ignore, but this time, she was out of her element.

Aya: Saki-sama, these aren't addressed!

Rin: Hmm... This is a little suspicious. And all three of them are in the same kind of envelope.

Saki: Let me take a look. Looking inside'll clear things right up.

On a whim, Saki opened one of the envelopes. However, that was the beginning of a tragedy (or was it a comedy?). A cruel fate awaited the ladies. Yes, it was probably a cruel one indeed. Or, well, maybe just a little annoying.

Saki: Owww!

Rin: Saki-sama! You aren't hurt, are you?

Aya: Where are we...?

Saki: I just remember a bright flash of light and then being dropped somewhere weird... Ugh! My school uniform is all dirty, too!
Rustle

Rin: Huh?

Saki: Run?!

Run: Tenjouin-senpai?!

Saki: It seems like you've been lost within this mysterious other world, too. Oh, scared little lamb! I, Tenjouin Saki, will protect you! Nothing to worry about! Leave everything to me, the Queen of Survival! Oh ho ho ho!
Run: E-Er... **pained smile**

Run: *(Come to think of it, what IS this place? Hard to believe, but could it be Lala's doing?)*

Rin: It doesn't seem as if there's anything we can do immediately to rectify our being here, Saki-sama. Let's head to that village in the distance. We might be able to learn more about our situation...

Continued from Trouble 98...

Saki's party went to the village of Rifda, where they gathered some information. They set off on a journey to take down the Dark Lord...

Aya: A wizard? It does seem like the class for me.

Rin: And this weapon looks like a Japanese katana... And judging from this outfit, I suppose I'm a samurai?

Saki: Oh-ho-ho-ho! And I am the Queen of Kings! **Fwap fwap**

Run: *(Cracking her whip, talking like a tyrant... Stay golden, Saki. And... I guess I'm a warrior?)*

Saki and her group traveled around raising their levels, eventually obtaining a Crystal of Pity, and then a ship. They crossed the Strait of Sadness, overcame the Tomb of the Descendants and the Crescent Moon Desert, and then, at long last, came to the Castle of Truth.

Note: We truly wanted to depict these events in greater detail, but due to page restrictions, we begrudgingly condensed it down to this digest format. We're deeply sorry for this.

Aya: We've *finally* made it, Saki-sama!

Yuusaki Riko

☆Riko
Her name is Yuuki Rito... Er, Yuusaki Riko-san. I think she's a high school student, about 17 years of age! (bitter laugh)

☆Why Riko?
The story Riko appears in is our 100th chapter, a real milestone. Yabuki-san and I chatted about what would be an appropriate story to celebrate two years of *To Love Ru*, and we ended up having a really silly conversation. We went over a bunch of stuff, trying to figure out what kind of story would really encompass the essence of *TLR*, but also emphasize the sexy parts of the story, and so we thought a chapter about boobs might be good. "No, it'd be ridiculous for us to do something like that. But oh, maybe this would be good? Right?! Right?!"

The chapter had to be something we could fit into the main story, too. Yabuki-san said, "The stories *always* end with something ridiculous, so I want to slowly build the situation up, and in the end, hit the readers like BOOM with a new development." "Okay, in that case, what haven't we done yet...?" "Hmmm... Turn him into a girl?" It pretty much went down just like that!

☆Reappearance (Compiled in this volume in Trouble 106)
We didn't plan to bring her back, but reactions to her were...unexpected. Well, they were something, all right. She came back unexpectedly quickly. As for pairing her up with Saruyama, we figured that once he had met her and fallen in love, the story we ended up telling was basically inevitable.

☆Riko's Future Ambitions (Hah!)
It'd be pretty interesting to team her up with the other heroines. The likelihood of Riko appearing again is extremely high. I wonder what kind of (obviously slapstick) romance you're hoping to see with her? Please look forward to her eventual return. Wait, hold on, you want us to do *what?!*

READING DIRECTIONS

This book reads from ***right to left***, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Let the Games Begin!

Rito's about to find out just how far he'll go for Lala's sake...when he and his friends get trapped inside a virtual reality game! It's the classic role-playing game setup: a dark lord to vanquish, a kingdom to save, and a princess to rescue. Except this time, the princess is Lala herself! And if they don't pull it off, who knows how long they might be trapped in this strange new video-gamey reality? To Love Ru goes a-questing, with more than a relationship on the line!
